

You've trusted us to provide benefits for your members for over 85 years...

NOW you can entrust your Property & Casualty Insurance to us as well!

Provident had its roots in insurance as far back as 1902. Since 1928 Provident has provided firefighters and emergency medical responders with financial protection through our blanket Accident & Health insurance program. We have become one of the nation's largest and fastest growing benefit providers to fire departments and emergency service organizations, and now we are proud to announce our new FirePlus Property & Casualty program. We have a long-standing reputation for superior customer service.

Consider us for your Property & Casualty coverage today. We think you will be glad you did.

You and your crew do your part to protect your community, we will do our part to protect you, your property, and your equipment!
