

Dear Producers,

Allied Public Risk – Alternative Markets is pleased to announce a new, non-admitted Excess facility. The new facility has \$10MM in capacity and has an AM Best “A” rating.

Effective immediately, all eligible single risk business written on the **Alternative Market’s retained limit coverage** form will **automatically** receive an excess quote. A separate excess submission is **not required**. If additional information is needed for the excess placement, your Underwriter will advise you.

What does this mean for you? One submission and potentially up to \$20MM in limits!

Attached is a highlight sheet outlining the new facility and a list of our team members. If you have any questions, please reach out to anyone on the team.

We are excited about this additional capacity and look forward to a successful yearend!

As always, thank you for your continued support of APR – Alternative Markets. It is greatly appreciated.
